Cell Phones in Class

We are still having problems with student's answering their ringing cell phones AND texting during the middle of class. This is a big distraction to our teacher's as well as other students. Please let your children know that they need to turn off their phones or they will be taken away during class!!

JUST A MEMO....

*Please make sure all students are in proper attire and hair pulled off of their face.

* Only WATER aloud in the classrooms. Please no food or any other drink in the class!!!
